**WORK**

**Perfect Fit & Comfort**  
Made to move comfort. Soft, flexible headband style won't rub, bounce or irritate.

**PLAY**

**Widest Area Illumination**  
210 degree illumination means you won't miss a thing, wherever you look.

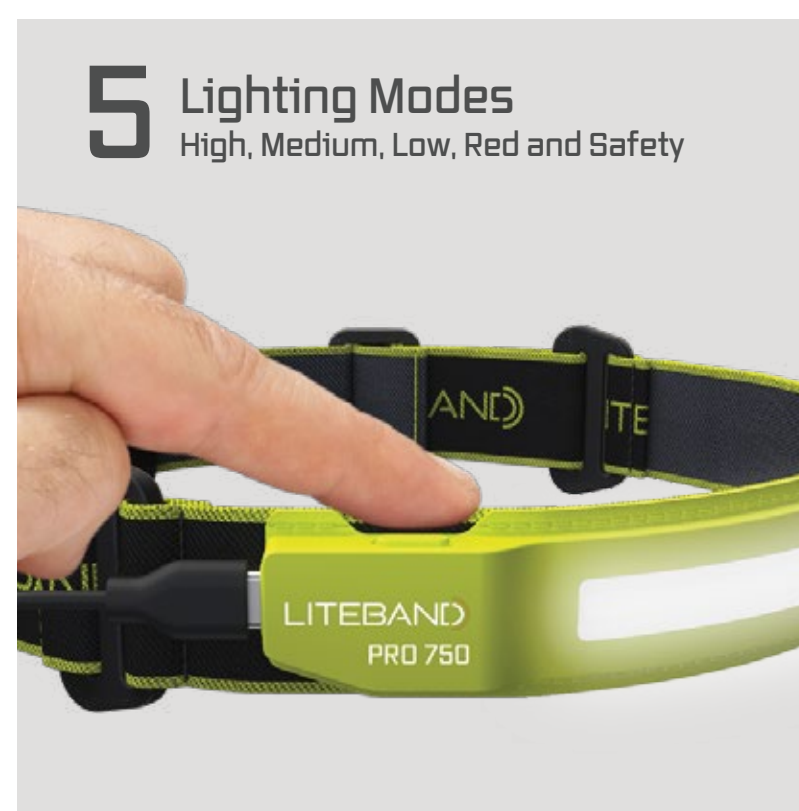

**DIY**

**See Everything, Feel Nothing**  
Easily enjoy hiking, camping, running, DIY or work projects without the dimples or dents of traditional headlamps.

**5.4 Ounces**  
Lightweight and Balanced Design  
The balanced, lightweight, adjustable design creates a "No Bounce" experience.

**5 Lighting Modes**  
High, Medium, Low, Red and Safety  
Quickly and easily cycle through power modes with the touch of a button.

**Fast-Charge Rechargeable Battery**  
Compact 1800 mAh rechargeable battery with USB-C charging port provides hours of dependable light.
