

The SMC Micro U-Rack assembly is the smallest and lightest of all SMC Rappel Racks. The design is based on the same principles of our proven NFPA Rappel Racks but more suited for sport climbing and caving expeditions. This device is ideal for either a long rappel or lowering as it evenly distributes the weight between both sides of the rack and does not allow the rope to twist.

* The Micro Rack MBS range is dependent on rope diameters tested from 7 mm to 12.5 mm

Key Features:

Designed for reliability • Rack frame and bars are polished Stainless Steel • Supports rope diameters from 7mm up to 12.5mm • Designed for long lasting service • Made in the USA

Height: 0.78" (2.0 cm) » Width: 2.75" (7.0 cm) » Length: 8.50" (21.6 cm) »

Weight: 14.1 oz (400 g) » Material: Stainless Steel » MBS: 8 kN - 22 kN* (1798 lbf - 5000 lbf) »*

Max Rope Size: 12.5 mm » Sizing Info: 7 mm - 12.5 mm rope

SM13700

BERRY COMPLIANT

A large, empty rectangular box with a thin black border, intended for handwritten notes or technical drawings.
